

Customer Privacy Notice.

This Privacy Notice explains what personal information Aisco Security collects from its customers, why we use it, and your rights regarding your information.

This notice applies to individuals who are customers, contacts or representatives of organisations that use Aisco Security's services. It does not form part of any contract.

Information We Collect

We may collect basic contact information such as your name, organisation, email address, telephone number and other relevant contact details.

1. Why We Use Your Information

Aisco Security uses your personal information to manage customer relationships, provide our services, communicate with you and manage access to any systems or platforms we provide.

2. Legal Basis

We generally process your personal information on the basis of our legitimate interests under Article 6 of the UK GDPR, where appropriate.

3. Your Rights

You may have the right to:

- Request access to your personal information.
- Ask us to correct inaccurate information.
- Request deletion of your information where applicable.
- Object to or restrict certain processing.

To exercise your rights, please contact dataprotection@aisco365.ie

4. Sharing Your Information

We will not normally share your personal information with other organisations unless this is necessary to provide our services, comply with a legal requirement, or protect our legitimate interests.

5. How Long We Keep Your Information

We will retain your personal information only for as long as necessary, including for the duration of our business relationship and any applicable legal or regulatory requirements.

6. Automated Decision-Making

Aisco Security does not use your personal information for automated decision-making or profiling.

7. Changes to Purpose

We will use your personal information only for the purposes explained in this notice, unless we are required or permitted by law to use it for another compatible purpose.

8. Further information

If you have any questions about the use of your information, please contact the

Data Protection Officer listed above.
